

Project Name: SR80-US27 Interchange

Location: Hendry County, Florida

Owner: Florida Department of Transportation (FDOT)

Client: Eisman & Russo

Project Facts: The current interchange between S.R. 80 and U.S. 27 is to be improved by the addition of an elevated "T" interchange. This will include the construction of a bridge along with 3 elevated ramps using MSE wall construction.

Services Provided: Armeni Consulting assisted Eisman & Russo in creating a detailed project schedule using Primavera P6.

When: November 2010
