

Project Name: New Tampa Boulevard Bridge

Location: Florida

Owner: City of Tampa

Client: GLF Construction Company

Project Facts: The purpose of this project is to connect the existing roads New Tampa Blvd and Commerce Park Blvd by constructing a 2 lane highway and bridge. The bridge will be a 2 span conventional steel girder bridge over Interstate 75. It will be built to accommodate 4 lanes for future expansion. Other project details include a bike path and sidewalk.

Services Provided: Performed takeoffs, Detailed Estimate (with vendor's quotes), Project Schedule, Procedure Drawings, and assisted client in putting together bid

When: From February 2011 to March 2011
